Kärcher North America Machine Warranty

Effective on all products shipped *AFTER* January 1st, 2015

Limited Warranty

Kärcher North America warrants new machines against defects in material and workmanship under normal use and service to the original purchaser. Any statutory implied warranties, including any warranty of merchantability or fitness for a particular purpose, are expressly limited to the duration of this written warranty. Kärcher North America will not be liable for any other damages, including but not limited to indirect or special consequential damages arising out of or in connection with the furnishing, performance, use or inability to use the machine. This remedy shall be the exclusive remedy of the buyer. This warranty gives you specific legal rights and you may also have other rights which vary from state-to-state. The warranty period is subject to the conditions stated below.

10 / 3 Warranty: 10 Years Polyethylene (PE) Housings, 3 Years Parts, and Service Labor

Subject to conditions outlined below, Kärcher North America warrants rotationally molded PE housings and parts on all of its machines to be free from defects in material and workmanship, under normal use and service for ten (10) years to the original owner.

Under this warranty we guarantee the performance of non-polyethylene parts and components to be free from defects for up to three (3) years to the original end user. Parts replaced or repaired under this warranty are guaranteed for the remainder of the original warranty period. (See table below)

Service labor charges are covered for up to three (3) years from the date of purchase through authorized service provider. No travel coverage for cord-electric models. See table below for each general product model warranty coverage.

Upright Vacuums:

Exceptions and Exclusions:

Normal wear items not limited to brushes, foot pedal, cords, clutches, filters, gaskets, hoses, and bearings will be warranted for manufacturing defects for 90 days from the purchase date. All other items are 1 year parts and labor.
